## Chapter 1 by puppies4life

Once upon a time, there was a boy named Connor and his dog Buddy. They were best friends. Everywhere Connor went, Buddy went to. One day, Connor was taking buddy for a walk. When they were walking, Conner decided to go on a different route. Suddenly, Connor fell into a hole in the ground. It seemed like a bottomless pit to him. Finally he landed in some sort of ancient cave. He had no clue where he was. He looked around the cave. There was some sort of amulet in the wall. He walked over to get a closer look at it. It said above it, "The person who touches the amulet below, will be transported to long ago."

What did that mean? Should he touch it? What would it do to him if he did?

He reached in to touch the amulet.
